MINISTER OF STATE FOR DRINKING WATER AND SANITATION

(a) The State/UT-wise details of targets set and achievements made under National RuralDrinking Water Programme (NRDWP) during each of the last three years are at Annexure-I.

Swachh Bharat Mission(SBM) :Since Swachh Bharat Mission (Gramin) is demand driven programme, hence no State/UT-wise targets are fixed. However, State/UT-wise, number of Individual household latrines constructed during last three years is at Annexure-II.

(b) & (c) Under NRDWP, the execution of rural drinking water supply is done by the States. The rural drinking water supply to be taken up are approved by the State Level Scheme Sanctioning Committee (SLSSC). The States do not send their schemes to the Ministry for approval. Funds under NRDWP are released to the States in two instalments. In the year 2016-17, first instalments of funds to the tune of Rs. 1986.66 crores have been released to the States early in the month of April-May 2016. Secondinstalment of funds are released after getting the proposals for requirement of funds from the States along with utilization certificate and other requisite documents as per the guidelines. During 2016-17, as on 11.11.2016, State Govt. of Andhra Pradesh, Bihar, Haryana, Jharkhand, Madhya Pradesh, Meghalaya, Odisha, Sikkim, Telangana, Tripura, Uttar Pradesh, Uttarakhand and West Bengal have submitted their proposals for release of 2nd instalment of NRDWP funds.After examination of the proposals, the Ministry releases the fund and till date,funds have been released to State Govt. of Jharkhand, Tripura, Odisha, Telangana and Madhya Pradesh.

Swachh Bharat Mission(SBM) : Under the Swachh Bharat Mission (Gramin), Annual Implementation Plan (AIPs) are received from the States and sanctioned.
